Sponsor the Green Ribbon Gathering

Position your company as a leader in sustainability by sponsoring our largest fundraising event of the year—now newly reimagined as the Green Ribbon Gathering.

This signature event brings together community leaders, businesses, and individuals who share a commitment to protecting our local watershed. As a corporate sponsor, your investment goes beyond the evening—supporting meaningful, year-round impact including land conservation, habitat restoration, and expanding access to nature.

We invite your company to join us as a valued partner in sustaining a healthy Wissahickon Valley for generations to come.
